Dashboard Item: Horizontal Line

Kahootz Support - 2019-04-25 - Dashboards

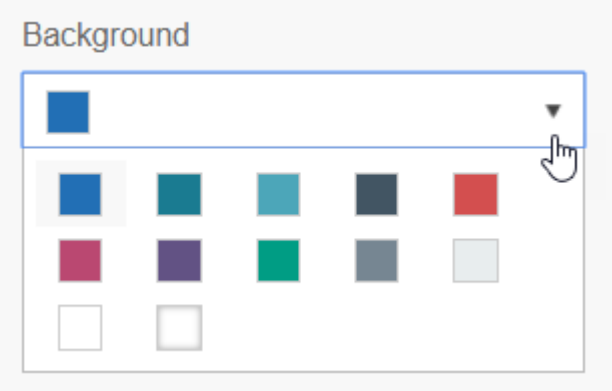

When building your dashboard, it's useful to separate dashboard items so the layout is easier on your users' eyes.

Our **'Horizontal Line'** item can break up the different sections on your dashboard.

> **Kahootz Tip:** Read this this KB article for more information on how to use our interactive dashboard builder.

To apply a **'Horizontal Line'** onto your dashboard, please see instructions below.

1. Open the dashboard.
2. Click the **'Configure'** cogwheel icon in the top-right corner.
3. Click **'Add Item'** and select **'Horizontal Line'** from the drop-down menu.
4. Define the **'Width'** of which you can select from 1-5
5. Define the **'Background Colour'** - see below.

6. Minimise the pop-up **'Edit Panel'** window.
7. If created in the wrong section, simply drag & drop to the correct place.
8. Click **'Save.'**

Your **'Horizontal Line'** will now appear on your dashboard. Please see examples below:

Width 1 - Red

Width 3 - Blue

Width 5 - Purple
