Creating a Report - Total Workspace Items (Docs, Databases etc.)

Software Support - 2019-11-25 - Reports

You can run a report to show "how many files of the same type" are within any workspace - eg: How many documents are there in total.

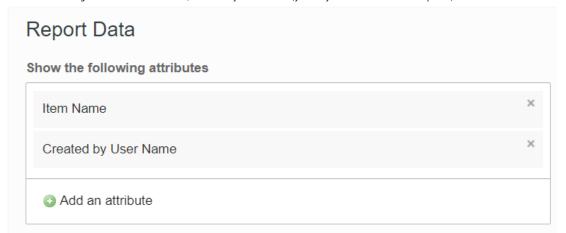

Please see the full list below of all workspace item types you can filter on - eg: How many databases are there in total.

Simply create the report based upon a selection below:

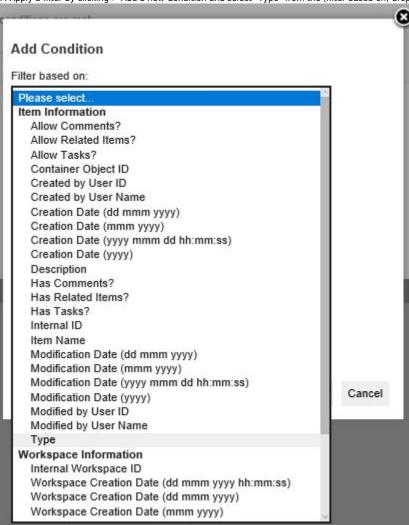

- Task List
- Quick Poll
- Forum
- Blog
- Message
- Web Link
- Survey
- Calendar
- Structured Document
- Database
- Picture Album
- Folder
- Event
- Picture
- Task
- Web Page
- Document
- Article

Follow these steps below to create the report - (this example is based on "how many documents in total" within your workspace)

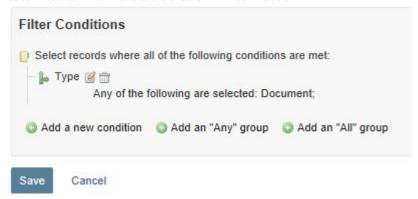

- 1. Click > Create Report.
- 2. Provide it with a Name.
- 3. Select "Workspace Content" as your Data Type to Report on.
- 4. Click > Next.
- 5. Add the following Attributes > Item Name, Created by User Name. (you may wish to add more if required)

7. Apply a filter by clicking > Add a new Condition and select "Type" from the (filter based on) drop-down menu.

Select "Document" from the list and click Save - it will look like below.

- 7. Click > Next.
- 8. Data Ordering > Select "Item Name" from (sort by 1) ascending.
- 8. Click > Next.
- 9. Click > Run Report.

Additional Information.

If you require running the report in different formats, open the report and change the file type required and then Run the Report.

- Web Browser
- PDF

- Microsoft Excel
- CSV
- XML
